The Bangkok Gems & Jewelry Fair is Asia's leading trade show for the jewelry industry, providing an outstanding platform for Thai and international jewelry designers and manufacturers to display their latest creations. Organized and managed by the Department of International Trade Promotion (DITP), the BGJF's 59th edition was a great success, attracting participation from a great many international buyers and exhibitors.

Since January 2017, the import duty of all gems and jewelry in Thailand has been lifted. Therefore, all the exhibitors can now enjoy duty-free status. The 60th BGJF offered plenty of new inducements such as electronic guidance systems for buyers to link easily with specific exhibitors. The show also highlighted jewelry aimed at specific target groups namely brides, men, seniors, pet lovers, etc as well as jewelry for special occasions. For the 60th edition, DITP plans to enhance the experience and convenience to exhibitors and visitors even further. Thus, more participants are expected to attend the fair in September 2017.

Bangkok is not only the renowned center for Asia's gems and jewelry business, it is also an exciting city that is readily accessible by air, offers wonderful accommodation, culture, cuisine and hospitality. And it offers great value for money. Please fill out this application form to enjoy the many benefits of participating in the 60th Bangkok Gems & Jewelry Fair.
