### 61st Bangkok G&J Fair Gets Record Success

Bangkok: The 61st Bangkok Gems and Jewelry Fair, organized by the Department of International Trade Promotion (DITP), Ministry of Commerce, was a resounding success with record breaking trade value to showcase the strength of Thailand's gems and jewelry industry to the world. Held from February 21-25, 2018 at Challenger Hall 1-3, IMPACT Muang Thong Thani, the 61st edition of Bangkok Gems and Jewelry Fair attracted visitors from 113 countries with top five visiting nations included India, Myanmar, China, USA and Russia.

The success of the 61st Bangkok Gems and Jewelry Fair is a step on the way towards the industry achieving the Thai Government's aim of making Thailand "the World's Gems and Jewelry Production and Trading Hub." Some 853 exhibitors occupying 2,003 booths participated in The 61st BGJF. Although 747 companies were from Thailand, others came from around the globe, including countries as diverse as Hong Kong, Poland, Turkey, Japan, Singapore, India, South Korea, Israel, Indonesia and Canada. A total of USD 63.6 million in trade value was generated at the Show.

Held under the theme 'Heritage & Craftsmanship', the 61st Bangkok Gems and Jewelry Fair highlighted Thailand's cultural heritage, promoting the exquisite craftsmanship of Thai artisans with international trends to make jewelry more contemporary and answer to the demands of international consumers.

To align with the government's 'Thailand 4.0' and 'Creative Economy' initiatives, the DITP instigated a series of special zones at the event:

1. The New Faces featured unique jewelry pieces from 120 SMEs from across the country, who prior to the 60th edition of Bangkok Gems and Jewelry Fair had never participated at the Show.
2. The Niche Showcase featured the latest trends in jewelry for niche markets. Specifically, this focused on five main product groups:
